

The gift of love

You're the
only one
who always
Protects me
And keeps
Me from
Any harm

You're the
Only one who
Comforts me
When I'm
At my lowest
And embraces me
with open arms

You're the
Only one who
Cares enough
To ask
How I'm feeling
And show that
You truly care

You're someone
Who I
Can always

count on
When I'm
going through
moments of despair

What I'm
Trying to
Say is
You've touched
The hearts
Of others
By being
Who you are

And if
There was
More people
Like you
We would
Be better off
By far

For there
Will always be
A special place
In my heart
For you

For there will

Never be
Another person
Who I
would call
A friend
Who will always be
Faithful, Loyal and true

For what makes
You that
Special person
That you
Truly are

Is the
fact that
you give
your heart
to others
With your
Kindness and
Sincerity for
us all

Which is
Without a doubt
The greatest gift
Given by God
And as you

show compassion
to others
and you
do it
out of love

And knowing
That I
Have a
Friend like you
Makes me feel
Better knowing
That someone
Actually does care

And even though
you never
Judge or criticize
No matter
Who we are
For you
Are the
Kindest person
Who I've
Ever met
Throughout my life
By far
