

THE FIDDLER AND THE LEPRECHAUN

One night as I was walking through the woods
I came upon this old elm tree
And taken by surprise
I saw a leprechaun
Standing there right in front of me

King Colm asked him what's your name and what can I do for you
And if you're trying to pull a fast one on me
Just remember I'm much cleverer than you

Then King Colm saw the fiddle that Johnny had and said I dare you to challenge me
With a tune or two and show me boy exactly what you can do

And if you play better than me then this I do promise you
I'll hand over my crown and my golden fiddle
And admit that I couldn't beat you

Then Johnny told him I heard that you're the best fiddle player
That's there's ever been
And if I let you play you can show me exactly what you mean

So when King Colm started playing there was fire from that bow
He played the fiddle till the break of dawn
And till he could play no more

And when it was Johnny's turn
He took that fiddle
And by God there was no other sound
He played that like never heard before
As he laughed and said that I'm the best there is around

King Colm then said to him
That if you're brave enough to challenge me again
I'll show you exactly what I can do cause I'm the best fiddle player
That's there's ever been
And next time I most certainly will beat you

I will indeed Johnny told him
As he soon went on his way
And if we ever cross paths again
He told him
Then we must certainly have to play

And I'll show you exactly
What the King of the fiddle is supposed to be when I'll be laughing all the way home

With the crown on my head
All the way to Knocknacree

WHY ME LORD?

Throughout my life
I've had many challenges
Which I had to bear
And sometimes things can happen in life which may seem to be unfair

But why Lord did you put me through this test I do understand
It's to show me how much you love me and all want me to do is to say a simple prayer and
reach out my hand

Sure I've been put through this test so many times before
And there's one thing I don't want yet and that's to knock at heavens door
Cause there's so more to life then you'll ever know
And if I put my trust in the Lord he will help me through it all

Sure I'll have to face many challenging times
But It doesn't matter as long as I have you
And I know it's something that I cannot do it on my own strength and that's why I must turn
to you

Cause you're the only one who can help me if I put my trust in you
And having that faith of knowing that I can always rely on you

STORMY NIGHTS

As I
Listen to
That Stormy
Stormy night
Listening to
the wind
That blows
Which brings
Such a
lonesome feeling
That no one
Will ever know
How I'm feeling
Deep inside

Sure I
Do tend to
Hide away
Those tears
That no one
Will ever see
Oh how
I Wish you
Were here
With me
Right now

And since
You left
my heart
Aches deep inside
And the
feeling that
I have
For you
I cannot hide
When all
I want is
To be
By side
On those
Those lonely lonely nights

For you'll
always be
The one
Who's meant
For me
And sometimes
I try
To see
Why you're
Not here
With me
When all
I'm left
With is
A broken heart

And I'll be
Here waiting
Until we

We meet again
I'll miss you
Dearly my
only friend
And the
friendship we
share will
never end
and there will
Always be
A special place
For you
In my heart
